

ANNOUNCING A GAME-CHANGING FEATURE: TUG TIMELINE & JOB REPLAY SHARING

We are thrilled to introduce a revolutionary addition to OptiPort designed to save time, reduce costs, and enhance transparency for you and your clients.

TUG TIMELINE & JOB REPLAY SHARING

This new feature allows you to share detailed historical replays of your operations with anyone, including third parties, without requiring them to log in to OptiPort. Available for both **Job Replay** and **Tug Timeline**, it provides:

- **Full transparency:** Give your clients a clear and interactive view of the work you have performed.
- **Ease of use:** Access detailed insights with just one action- no more juggling multiple steps or incomplete data.
- **Professional integration:** Include replay links with invoices for seamless communication and a professional touch.
- **Universal accessibility:** Clients of OptiPort users can view the information via the shared link - no OptiPort account needed.

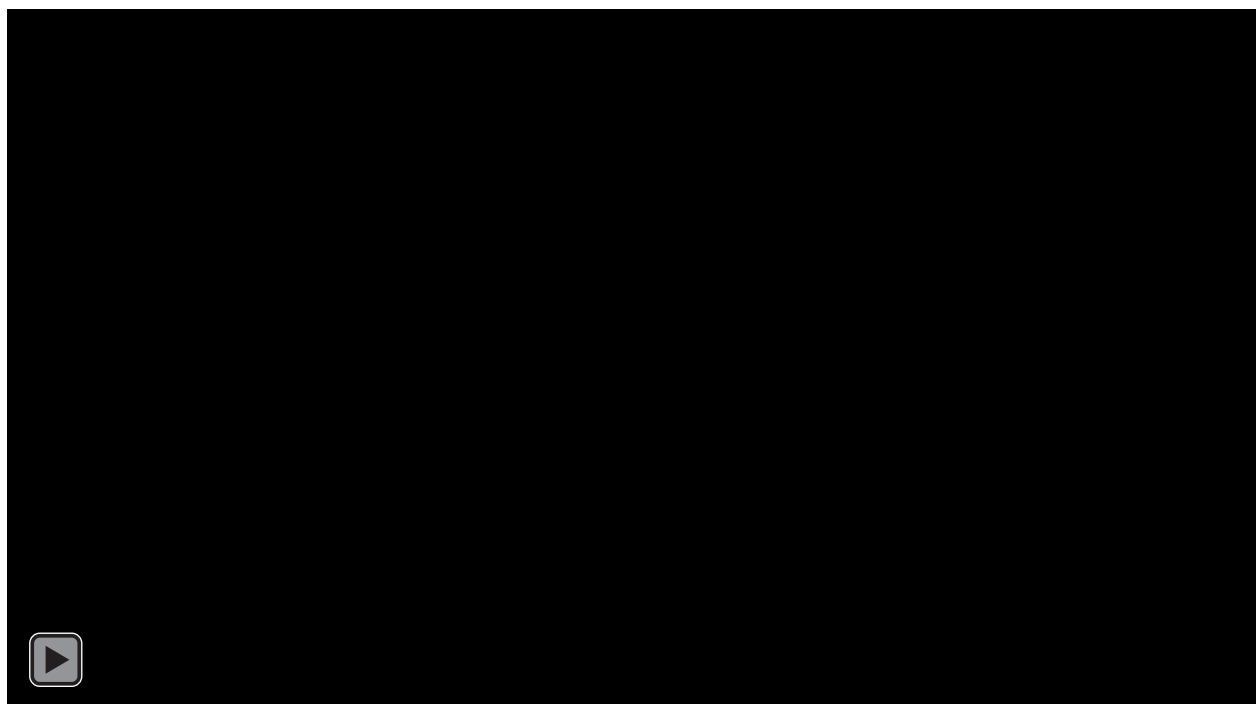

This feature provides dynamic and interactive data that elevates the level of service you offer, strengthening relationships with your clients while optimising your workflows.

A WORD OF CAUTION

Please share replay links responsibly and only with trusted recipients.

Experience the future of operational insight with **TUG TIMELINE & JOB REPLAY SHARING**.
